WEEK ONE OVERVIEW

MONDAY

EASTER MONDAY

THURSDAY

Reading: 20-30 minutes of reading - journal stories, PM books or your personal books.

Follow up activity - 5 W's and an H chart (google classroom) 15 minutes on Teach your Monster to Read, Epic or Read Theory.

Writing: Begin writing your ideas into paragraphs. Add lots of details and use your different sentence styles. Edit your work once complete - aim for 3 - 5 paragraphs.

Maths: Complete an addition or times table grid. Complete your group work in [this link](#). 15 minutes prodigy / study ladder.

TUESDAY

EASTER TUESDAY

FRIDAY

Reading: 20-30 minutes of reading - journal stories, PM books or your personal books.

Follow up activity - Create a movie poster on your book. This can be done online on google draw or on paper, your choice. [Tick off the success criteria here](#). 15 minutes on Teach your Monster to Read, Epic or Read Theory.

Writing: Continue to edit, re-read for sense and make sure you have used different sentence types. Publish your story by hand making no mistakes, or online and share with me.

Maths: Complete an addition or times table grid. Complete your group work in [this link](#). 15 minutes prodigy / study ladder.

WEDNESDAY

Reading: 20-30 minutes of reading - journal stories, PM books or your personal books.

Fiction story (Not true) - Complete an events chart.

Non-Fiction (True) - 5 facts and key words / sentence work. 15 minutes on Teach your Monster to Read, Epic or Read Theory.

Writing: Plan out a story on something that you have done as a family during the lockdown. Use the key ideas to make your mind map. Write this in your writing book.

Maths: Complete an addition or times table grid. Complete your group work in [this link](#). 15 minutes prodigy / study ladder.

Extra ideas:

Environmental: Go outside and take photos of something you can hear, feel, see, taste and smell. Make sure you are thinking about how these images are viewed by your audience. Can I imagine the sound of something or the feel of something in your image?

Other: Research your family tree - Go back as far as possible! Make sure your asking lots of questions about your family members as you research.

Learn all your times tables!
