Dear Parent/Guardian,

We will be holding the **School Fun Run** as a major fundraising event this year on **Friday 30th June!** We're doing it to raise much needed money for **digital technology**.

About the Program

The **School Fun Run** is all about Fun! Your children will get to come on the day and run with their fellow classmates, friends and students... sometimes even the teachers get involved! This will be one of the most exciting days on our school's calendar, with everyone's participation the aim, so please make sure they attend of the day and cheer the other kids on!

How Does My Child Fundraise?

Firstly, go to schoolfunrun.co.nz and create a student profile page. Everything to do with your fundraising revolves around this page.

Students who raise just \$10 will be able to choose a prize! The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without adult supervision, and we encourage you to reiterate this at home. The great thing about online fundraising is that you can share the link to your child's profile with friends and family via email, SMS and Social media.

Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at schoolfunrun.co.nz and share your online fundraising link.

Getting Involved

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the **School Fun Run**. If you would like to volunteer on the day, please contact me on the details below. I can't wait to see you at our event!

PSG Kings Seed Fundraiser

Hey Everyone, it's that time of year to start thinking about planting your vegetables and with the yucky weather that we have had over the past few months and the effects of Cyclone Gabrielle and the vegetable shortages seen far and wide it would be a really good idea to get out in the garden and grow your own! It's a great way to spend time with your kids and grandchildren and watch what you can grow together.

The PSG (parent support group) are going to be fundraising by selling **KINGS Seeds** packets

How it works
Each Family in the school will bring home and order form – they can roam the community and see friends and family for some Seed Selling Fun and collect as many orders as they can.

All order forms and money need to be returned back to school by Friday 16th June

**Seeds will be sold for
from \$3 per pack**

**PSG Kings Seeds Fundraiser
extended
to Friday week 2,
term 3!!**

THE FINAL WORD

**Tenā koutou i ngā āhuatanga o te wā,
Greetings to you all at this time**

This is the final newsletter for the term. We hope that all our children have a great break and an opportunity to rest and recover from all the winter ills. We look forward to seeing you all next term.

The end of this term marks two years that I have been Principal at Maungakaramaea School. I am so pleased to be here, working with your children, our amazing staff and connecting with you all.

Term 3 is set to be big and exciting. One big event is our school production, which will happen towards the end of the term. A huge thank you to Carlyn Condon, who is our key organiser for this brilliant community entertainment. The production is a script based on The Wizard of Oz. As a lead in to this we will be showing the original movie to students on Monday. As this is a PG, please let your class teacher know if you would prefer your child did not watch it.
