Maungakaramaea School is part of a Kahui Ako (Community of Learning) involving 11 schools and several Early Childhood providers. A Kahui Ako sets a strategic direction that supports the growth and development of all the schools in its group. The actions created from this direction are put into practice by three Across School Teachers (AST) who work within all the schools of our Kahui Ako.

We will be having a Teacher Only Day on Thursday 19th June (The day before Matariki Public Holiday). This day will involve several schools and will be held at Tauraroa Area School and will have a new refreshed Maths curriculum focus. This is the second of two days that have been mandated by the Ministry of Education. School will be closed on this day.
